EXPERIENCE

Hospitality Team First Ascent Climbing & Fitness

2021 - Present // Chicago, IL

Supports customers through orientations, top rope and lead certifications, fields questions, and responds to complaints. Utilizes Mindbody POS and Perkville platforms to navigate daily tasks such as selling products, class registration, and setting up memberships.

Attribute Data Analyst SPINS

2017 - 2021 // Chicago, IL

Responsible for integration of private label data from retailers into a MDM platform. Handled coding packaging information, research, and quality control. Managed creation of auto coding rules with engineering. Database management using SQL.

Natural Products Researcher SPINS

2016 - 2017 // Chicago, IL

Contributor to SPINS product library, lead on private label data, answered JIRA tickets, researched, and audited product information. Worked closely with the engineering team to ensure data loads for retailers files and coded UPCs that utilized the Reltio platform.

Instructor of Photography University of Illinois

2013 - 2015 // Urbana-Champaign, IL

Introduced students to digital photography, digital editing, and printing. Reviewed and graded homework, created in-class demonstrations and technical handouts, encouraged pursuit of creative ideas and discussion of current and past artworks.

Printmaking Shop Assistant University of Illinois

2015 - 2016 // Urbana-Champaign, IL

Responsible for maintenance and organization print shop. Assisted students on printmaking projects and instructors with demonstrations. Followed safety procedure and practices to restock print shop with inks and cleaners.
